DETAILED ACTION

Continued Examination under 37 CFR 1.114

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(c), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(c) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 17 August 2009 has been entered.

Examiner's Statement of Reasons for Allowance

Applicant's amendment and remarks received 17 August 2009 have been fully considered. Claims 1-9 and 14-18 are therefore allowed with the additional limitations included.

The following is an examiner's statement of reasons for allowance:

The prior art of record fails to disclose or reasonably suggest a color display device having a first set of color filters arranged orthogonally relative to a length of the second set of color filters and each of the first color filters overlaps/intersects at least two second color filters in addition to the accompanying features of the independent claims.

Close prior arts of record, such as Patent Abstract of Japan/Japanese Patent Publication 02039086 to Toshiro have been discussed in previous Office actions.

Therefore, claims 1-9 and 14-18 are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to TINA M. WONG whose telephone number is (571)272-2352. The examiner can normally be reached on Monday-Friday 8:30-5:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Uyen-Chau Le can be reached on (571) 272-2397. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
